Detailed description of project						Type of services provided		
<p>The Labour, Economic and Social Council of Catalonia (CTESC) is a board of experts and representatives from the labour, economic and social spheres that provides advice to the Government of Catalonia on relevant labour, economic and social issues. It was established in March 2002 and CECOT represented entrepreneur's associations, guilds and SMEs interests of Catalonia until November 2005. The Council is also integrated by other entrepreneur's associations, trade unions, chambers of commerce and academic institutions.</p>						<p>The main objectives of the Council are the following: to analyse the economic, social conjuncture, and the current labour figures of Catalonia. The Council has to develop a 4-year strategic plan and it has to promote a consensus among representatives of the economic and social organizations on the best socio-economic policies that could be applied in Catalonia .</p> <p>CECOT, as Entrepreneur's-business association, represents the positioning of SME's of Catalonia from various economic sectors and provides the training analysis experience of their associate members and of its training foundation: CECOT Training Foundation</p>
